

## ACT Online Prep

Fort Dale Academy has been given free access for students to use ACT online Prep. This will be the ACT prep offered this school year. We will issue a card with a User ID, password and instructions on how to register for each student in 9<sup>th</sup> – 12<sup>th</sup> grades. Students will be able to use the prep site until **December 1, 2009.**

This program provides full-length sample test forms for practicing for the ACT. Users will have access to two, full, Practice Tests that can be taken one time each. Once an individual Practice Test has been submitted for scoring, students may review the test results. Also, a Study Path can be generated which will help guide a student on which sections of ACT Online Prep to review in preparation for a test date. This can be determined by entering a previous ACT score, PLAN score, or taking a short Diagnostic Test.

If a student has difficulty in getting started, they may see Mrs. Starla Jones or Mrs. Brantley for assistance.
