AISA Elite Eight Tournament Postponed

Because of the expected SNOW STORM the AISA Elite Eight Basketball Tournament, which was to be played on Friday, has been postponed until next Tuesday, February 16th. The girls will play at 12:00 against Bessemer and the boys will play at 4:30 against Prattville Christian. The games will be played at Huntingdon.

QAR Next Week

Next week on Wednesday and Thursday, there will be team visiting the Fort Dale Academy campus for a **Quality Assurance Review**. This is the accreditation review that Fort Dale Academy goes through every five years for SACS Accreditation (Southern Association of Colleges and Schools.) Many hours of work have been spent by every teacher and staff member to get ready for this special visit. Fort Dale Academy is a wonderful school and we have a lot to be proud of! If you are called on to help with last minute preparations, please help us show others what a special place this is by volunteering to help. Thanks!

QAR/SACS Reception

There are two opportunities for work hours next week. Fort Dale Academy will host a reception for the QAR Team and all faculty and staff on Wednesday, February 18th. Mrs. Ryan is asking for volunteers to bring breakfast casseroles for the reception that day. If you can help Mrs. Ryan with the reception, please get in touch with her at the school as soon as possible. She would also like to have help cleaning the library on Tuesday, February 16th.

Science Fair Time

Those of you that have been involved with the Science Fair already know that it was held this week on Wednesday. It is always a treat to see the gym filled with tables of work... as far as you can see! The District Science Fair will be held at FDA in two weeks on Wednesday, February 24th and the State Science Fair will be on March 4th in Montgomery.

District Math Tournament Results

Congratulations to the FDA Math Teams for placing 2nd at the AISA District III Math Tournament. High School members are: Sean McKeague, Brittany Huckaba, Lauren Poole, Elizabeth Lincoln, and Joseph Gardner. Middle School members are: Hyun Noo Cho, Larry Harold, Chip Taylor, Sierra Teate, and John Coleman Poole. Congratulations also go to Hyun Noo Cho for receiving 3rd place Individual. He will represent District III at the AISA State Math Tournament.

Box Tops for Education

Box Tops for Education coupons are everywhere you look, so please don't throw money in the trash! Please just clip and send them to FDA and we will do the rest! FDA is currently having a contest through April 16th for grades K3-6. The class that collects the most Box Tops will win a Break Party!
