Frances Watts Named Capstone Hero

The 2010 Capstone Heroes were recognized at the University of Alabama with a ceremony last Friday as part of UA's annual Capstone Creed Week. The Capstone Hero Award was created to honor students, faculty/staff and student organizations whose contributions to life at the Capstone reflect the values within Capstone Creed. Since 2005, nearly 70 individuals and organizations have been honored with this award, which is presented annually during Capstone Creed Week. This year's honorees consist of ten students, four faculty/staff and one organization. The 2010 Capstone Heroes include Fort Dale Academy's (Class of 2006) Frances Watts, who is a senior in Health Care Management at the University of Alabama. Congratulations to Frances!

FDA Registration Continues

Don't forget to register for school next year. Today is the last day for registration fees to be \$100.00. After today, registration will be \$175.00 per child. New families will also pay a onetime family membership fee of \$100.00.

Siran Stacy to Visit FDA

On Thursday, March 18th Fort Dale Academy will welcome former University of Alabama football great, Siran Stacy. He will be speaking to the FDA student body about his college and professional football career and also about the tragic death of his wife and children in a car accident in 2007. Though severely injured, Stacy and one daughter survived the wreck. The assembly will be at 10:15 in the FDA gym.

Good Friday Holiday Change

Fort Dale Academy will be dismissed at 12:00 noon on Friday, April 2, instead of having the entire day out of school. This is due to the snow day that was taken on February 12th.
