Dear Parents:

Summer reading is important for a student to develop and maintain skills. With this in mind, upcoming 6th grade students are required to read the following book this summer.

The Pinballs (Betsy Byars)

The attached book report format is only required for the above-mentioned book. The report will be due the first day of school.

Our required reading list for the school year (2008-2009) is as follows:

Tuck Everlasting (Natalie Babbitt)

Where the Red Fern Grows (Wilson Rawls)

Hatchet (Gary Paulsen)

I am looking forward to a great year.

Happy reading,

Sixth Grade Teacher
