PHILOSOPHY OF EDUCATION: Fort Dale Academy recognizes that children come to school with individual interests, abilities, and patterns of growth and development. Understanding these differences, each child is encouraged to grow to his or her optimal potential. Appropriate programs and activities are designed to promote patriotism, awareness of social issues, and moral values based on Christian traditions. The mission of Fort Dale Academy is to prepare students for college and career in an environment that is academically vigorous, nurturing, safe, and is morally, socially and emotionally supportive.
