- So What? section: In this section, explain how the work you read is relevant today? What can we learn from it?

*Grading is based on completeness of the above list, creativity, and visual appeal.

Book Review (part two of your two-part project):

Write a five-paragraph report on the summer reading book for your grade level. Proofread your work and edit as needed to use the best grammar, mechanics, and sentence structure. Of course, this work should be done entirely on your own.

Include the following:

- Heading at the top of your paper: Your Name, Instructor, Course, Date
- 1st paragraph: Title, author, date of publication, number of pages, main thesis or purpose of the book
- 2nd paragraph: Write a short summary of the main points of the book. Your summary should contain one-two words per page of the book. If your book is 200 pages, your summary would be 200 words. A summary of this kind is called a *précis*.
- 3rd paragraph: Write a short paragraph about the book's strong points.
- 4th paragraph: Write a short paragraph about the book's weaknesses.
- 5th paragraph: Write a short paragraph about your feelings about the book. Be specific. Questions to consider: Did you understand the language? Was the book interesting to you? Would you recommend this book to a friend? Did you learn anything new from your reading?

*Rubric:

1st Paragraph: 20 points

2nd-4th Paragraphs: 60 points

5th Paragraph: 20 points
